

REMARKS

In the Notice to File Corrected Application Papers mailed March 8, 2007, the Examiner objected to informalities in the specification and/or drawings. Applicants have made minor amendments to the specification and enclose corrected drawings as requested by the Examiner.

No new matter has been introduced as a result of these changes and no new issues are raised which would require further search or consideration. Applicant respectfully requests entry of this Amendment. Should any questions arise concerning the application, the Examiner is invited to call the Applicant's attorney at the number listed below.

In the event the U.S. Patent and Trademark Office determines that an extension is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 23/2825 referencing docket no. C0988.70003US00.
